LOCAL ITALIAN SHOT DOWN IN COLD BLOOD

Calarega Sanflippi is Killed at Rear of Barber Shop

ACCUSED MAN ESCAPES

Posses Search Through Night for August Buono, the Reported Murderer

Called to the rear of the barber shop of Sam Chumiara at 535 McKean avenue, where he was spending a few moments with friends, Calarego Sanflippi, aged about 30 of Charleroi, was shot down in cold blood Tuesday night. His alleged murderer, said to be August Buono, calmly waving a farewell to others in the shop walked from the front door and made his escape. Despite an all night and all day search by posses he is still at large.

Just two were in the shop when the shooting occurred, a barber whose first name is Louis and John Develli. According to the story told by Italians and the police, Sanflippi was sitting quietly, listening to one playing a mandolin and Bueno entered. "Come on back. I want to talk with you," Buono is said to have requested.

Sanflippi followed Buono to a tiny room in back of the shop, but Buono did not stop here. He drew Sanflippi just beyond the door to a narrow alleyway. Then a shot was heard.

Buono it is said dropped the gun and re-entered the barber shop, where the two, were much alarmed, were starting back. "What's the matter," one gasped. "Nothing," replied Buono and waving a goodbye, walked out. That moment trace was lost of him.

The two men instead of apprehending Buono hurried to the rear, where on a boardwalk they found Sanflippi, dying, a bullet hole apparently through the upper part of his heart. Before a doctor arrived he was dead. By his side was picked up the 38- calibre revolver with which the murder is believed to have been committed.

Police Put on Trail.

Immediately the police were put on the trail and but few minutes had elapsed until a general warning had been issued to police all along the valley. Corporal Phillip Rolier of the Monessen detachment of state police as well as the Belle Vernon detachment was informed and scouring of the region for the alleged murderer was started. Progress was interfered with because of conflicting stories told of the accused man's disappearance. Some said he had turned up McKean from the barber shop, and others had seen him turning up Sixth street. This morning it was reported that the man had gone up Sixth and near Meadow avenue had bumped into a woman. However a woman reported that she had been run into on McKean avenue near Fifth street by a man thought to be the wanted one.

The body of Sanflippi was taken to the mortuary of Deputy Coroner Lawrence B. Frye, while police posses were in the course of formation. Coroner James T. Heffran was notified, together with other county authorities.

Town Combed by Police.

Chief of Police C. W. Albright headed one local posse that combed the town and surrounding territory [illegible] with a fine tooth comb. Other posses visited other sections, while the state police made themselves generally useful. From the system with which the search was conducted it would seem impossible for the man to have gone far. A perfect description was furnished and Italians who knew him well were numbered among those in the posses. Local police visited at Monessen, Belle Vernon and Speers early in the evening, then toward midnight followed a clue that led them in the direction of California and Daisytown. Like other clues, this one proved fruitless. Italians who it was thought would know Buono were asked for information in other localities but the answer was always the same, that he had not been seen.

Domestic Trouble Reported Cause.

Domestic trouble is the reported cause of the shooting. More than a year ago it is reported among some of the Italians who claim to know, Sanflippi disappeared with Buono's wife. It is asserted they remained a time in the vicinity of New York city. The woman returned to Charleroi about a year ago, it is related, and Sanflippi returned two or three months later. Since then everything has seemed to be lovely, and apparently there had been forgiveness all around. But lately it is rumored the woman has been unwell, and there is a hint that Buono attributed her condition to Sanflippi and deliberated on the latter's destruction. Buono is 28 years old and has a son about three years old. He lived at 223 McKean avenue and has been employed lately by the Charleroi Lumber company in charge of concrete mixing. Sanflippi has been employed as a laborer by the West Side Electric Street Railways company.

Buono was not generally considered a troublesome man. He was concerned in a little trouble at the Macbeth-Evans Glass plant about a year ago when he is said to have struck a fellow workman with a shovel. At the Macbeth-Evans plant he gave his name as Joe Buono and it was by this name that he was more commonly known. He was discharged.

Sanflippi has no close relatives living in the United States, friends of his state, but his mother and a sister live in Italy. He has been in this country for several years.

Coroner to Investigate.

Coroner James T. Heffran is carrying on investigations and District Attorney R. G. Miller is interesting himself in the case. A coroner's jury has been empaneled consisting of Thomas R. Eagye, foreman; L. J. Mitchell, Carl M. Wertz, C. H. Christner, Harry R. Frye and Floyd Chalfant. The jury viewed the body this morning, when jurymen were sworn in but the inquest will not be held for a few days. Meanwhile the search for the accused man will be continued

A post mortem examination of Sanflippi's body was held by Dr. Edwin McKay. Contrary to general belief it was found that the bullet had not penetrated his heart but had passed directly above that vital organ. It went through the left lung and lodged under the skin in the man's back. An abrasion of the skin on the back of his left hand and powder marks indicate that Sanflippi tried to knock the revolver from the other's hand and only succeeded in deflecting the course of the bullet in the slightest degree.

DIVORCE LIBELS FILED THIS WEEK

Several new libels in divorce have been filed by mismated couples, who have been unable to agree in matrimony and the court will now be asked to settle their differences. These libels will be acted upon during the next few months, after the legal forms have been complied with.

A libel in divorce has been filed by Ada B. Kemp, of Washington against John H. Kemp. They were married on October 20, 1887, and lived together until December 14, 1906 when Mrs. Kemp was deserted by her husband.

Anna Schmidt Debosse, of Union township, has filed a libel in divorce against her husband, Aime Debosse. They were married at Shire Oaks on April 27, 1891 and they lived together until September 2, 1914. During the last two years the libellant avers that her life has been in danger through the cruel and barbarous treatment of the respondent.

Myrtle N. Seaton asks for a decree of divorce from her husband, William L. Seaton, on the grounds of desertion. They were married on June 1, 1901 and lived together until about two years ago.

ENTERTAINS AT VENISON DINNER

Rev. C. P Bastian Returns From Hunt in Lycoming With Deer and Treats

Rev. and Mrs. C. P. Bastian entertained three Lutheran ministers from nearby places, with their families at 6 o'clock venison dinner at their home on Sixth street Tuesday evening. Those present were Dr. and Mrs. C. E. Keler of Monessen; Rev. W. P. Brown and family of Donora and Rev. M. M. Albeck and family of Monongahela.

The supper was an aftermath of a hunt from which Rev. Bastian has just returned. Together with his brothers Dr. C. B. Bastian and W. K. Bastion, Esq., of Williamsport, Rev. Bastian spent several days in the hunting lands of Lycoming county. Just one deer was bagged and Rev. Bastian brought it home with him. The venison dinner was the result.

STATE AND PITT TO PLAY TOMORROW

The college football season will be wound up at Pittsburg on Thanksgiving day when the old rivals, University of Pittsburg and Pennsylvania State College, meet in their annual clash for gridiron supremecy. For many years this game has been the magnet that has drawn thousands of fans from all parts of Western Pennsylvania and with the two teams having made enviable records and standing among the top notch aggregations of the country, this years game will exceed any previous one in interest.

Pitt's wonderful game against W. & J. showed what can be expected of the Blue and Gold. With Williamson, the regular quarterback, who was injured in the Navy game, back in harness, the University team can be expected to show even greater strength against Penn State. Capt. Smith and Hastings, two stars who were hurt in the W. & J. game are also expected to come around all right for the final battle so that Pitt will present her full strength. Hastings ability as a field goal kicker makes him especially valuable. Had he not been injured early in the W. & J. game, which made it impossible for him to hold the ball, the game might have ended with a tie score as Pitt had a good chance for a field goal try late in the final quarter and failed.

Penn State's most notable achievement was at Cambridge when the champion Harvard team was held to a tie score. Those who witnessed this game claim that the Center Countians played better ball than did W. & J. against the Crimson. Boston papers credit them with being one of the best teams that ever played in the Harvard Stadium.

THANKSGIVING.

The business and social world takes a holiday tomorrow in observance of the time honored period of Thanksgiving—the day set apart by executive proclamation to give thanks to Almighty God for the blessings we have enjoyed during the past year, with but a passing thought of the bounties and mercies we hope to enjoy during the coming year. Forgetful of the solemnity of the occasion the observance for the most part will be devoted to feasting, merry-making and joyous greetings, rather than a sober realization that the storms of life weathered during the past year have been protentious in every person's existance, and that a safe landing in the harbor of another year is a blessing only to be realized after the Pale Rider makes a visitation to the household.

It is well to look with serious retrospect upon the past, and to realize the portentiousness of the future. Those who have survived should appreciate the fact that their destiny is yet unfilled, and resolve anew to devote their best efforts in fulfilling life's mission during the coming year. The past will reveal the mistakes and foibles, which can be corrected and avoided in the next voyage. It is well to rejoice on Thanksgiving, but the seriousness of the occasion is the retrospect of the blessings and mercies which have been ours during the past year should temper the merry making with a real spirit of thanksgiving.

OFFERING FOR THE POOR.

Tomorrow an offering will be taken for the poor and needy of Charleroi, and there will be afforded a chance for every person to give to a cause that is of the most worthy in character. A general business depression has created want in this community, as well as in others, even though the sting of poverty has not been generally felt.

Charity work in Charleroi is on a more systematic basis now than it ever was. By means of a little private charity judiciously dispensed the county has been saved large sums from Charleroi alone. But for this timely help the subject or family would have had to have gone to the poor house and become a public charge.

Of course there may be deficiencies in the system that obtains in this and numerous other states, but that is not the question at this time. The question is to provide for the needy with the means we have at hand. Absolutely whatever is contributed will reach the right place.

Monessen Couple Elope.

POLICE CAPTURE MEN WITH CHICKS

While searching this morning about 1:15 o'clock in the nieghborhood of Daisytown for August Buono, the alleged slayer of Calarego Sanfilippi, members of the Charleroi police, a local constable, Burgess S. L. Woodward and two members of the state constabulary captured two supposed chicken thieves as they were making their getaway with six fine fowls. The two men turned over to Constable H. B. The two men captured were James Giffen of Coal Centre and Henry Hess of Roscoe. They are said to have confessed that they stole the chickens. From this judgment he appealed. The borough denied its negligence.

ELDERLY PEOPLE SHOULD TAKE VINOL

Aged Texas Woman Says: "Old People Who Are Weak and Feeble Should Know the Merits of Vinol.

Grand Saline, Texas.—"I am an aged woman, and for a long time was weak and feeble, but I have found Vinol to be the best medicine to create strength for old people and for chronic colds I have ever taken. It has restored my health and strength so that I feel almost young again; in fact, I am now doing all my own housework.

"Old people who are weak and feeble should try Vinol and know its merits as I do. I have proved Vinol a good reliable medicine and much cheaper than paying doctor's bills, and you may publish what I say about Vinol for the benefit of others."—Mrs. FANNIE E. RODGERS, Grand Saline, Texas.

Vinol, our delicious cod liver and iron tonic, sharpens the appetite, aids digestion, enriches the blood, building up natural strength and energy.

We have seen such splendid results from its use that we return the money in every case where Vinol fails to build up and strengthen feeble old people, delicate children and the weak, nervous, run-down and debilitated, or stop chronic colds, coughs or bronchitis.

THE LOYAL ORDER OF MOOSE

FRATERNAL, EDUCATIONAL, BENEFICIAL AND SOCIAL

An order whose aim is to amalgamate the better element of each community into one brotherhood, whose object is the advancement of social and moral developement and the protection of mutual interests.

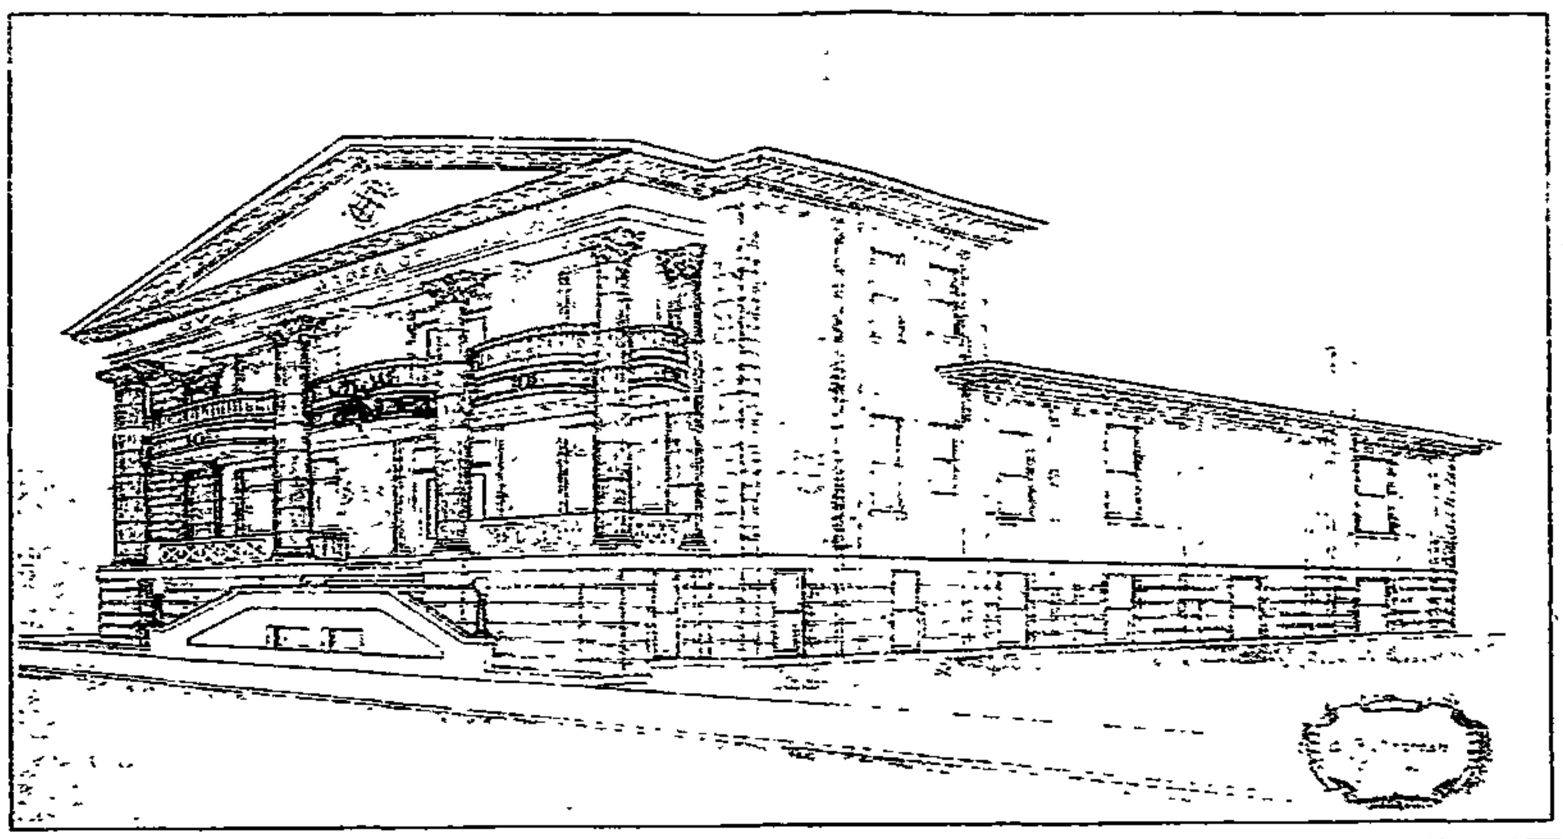
Founded upon a plane of absolute democracy, our fraternalism is positive, slogan being "All for One and One for All."

Ritual beautiful and elevating, its lesson inculcating upon the novice our tenets: Purity, Aid and Progress.

$7.00 per week sick or accident benefits paid. One hundred dollars funeral benefits.

In addition, the privilege of "Mooseheart," our magnificient Home and Vocational Schools, is an insurance of inestimable value, and it is an honor to share in its support. This institution has the best equipment and will be the largest establishment of its kind in the world. Built upon a foundation of true fraternity, it is a school for the orphaned, which shall have no taint of charity: a home for the aged without suspicion of alms-giving.

Men over the age of fifty may become non-beneficial members. While not sharing in the benefits, they are not debarred from office.



The above home now being erected in Charleroi will cost $35.000 when completed. It will contain shower baths, bowling alleys, pool tables, reading rooms and everything for the comfort and enjoyment of its members.

Charleroi Lodge at the present time has 408 members. Since Oct. 16, 1909 we have paid out in sick and accident benefits $6978.00 and $1100.00 death benefits also $751.80 to needy members and families and for charitable purposes.

We also have arrangements made to send three children of one of our deceased members to Mooseheart, our vocational school where they will be educated and made ready for life's battle at no expense to the the family or to our lodge.

Under special dispensations from the Supreme Lodge the Initiation fee is reduced to $5.00. Dues are reasonable and assessments are never made.

JAMES J. DAVIS, Director General. **JOHN H. RISBECK, National Director.**

[illegible] "Mooseheart." We are going to direct and [illegible] the management [illegible] of our great School and Home. Students and Wards of the Order at "Mooseheart" will have that place fully equipped to meet the requirements of life.

While the growth of the Order has been wonderful during the last eight years, the expansion [illegible] the following statements show.

Over $6,000,000 handled by the subordinate lodges during the year 1913-14 in the payment of sick, accident and funeral benefits.

The above figures bear testimony that the order aids in time of sickness, and comforts in the hour of sorrow. A material manifestation of the spirit of fraternal love.

The Loyal Order of Moose should appeal to the good man as one of his lines of duty to be discharged in the interest of his family and his fellowman. Your failure to provide for yourself and your family the grand privileges enjoyed by others may be a source of regret and possibly remorse to darken your declining years.

The Moose have clubhouses everywhere, providing a home wherever you may be, where good fellowship reigns supreme.

WAR NOTES

London, Nov. 25.—Portugal has taken the final plunge into the European war. The Portuguese congress Tuesday decided that the country should co-operate with the allies when it considered the step necessary. The minister of war will issue a decree for a partial moblization. Decisive news is expected from the Polish battlefield hourly. A victory in either Russia or Germany would virtually affect the course of the winter campaign. Petrograd messages declare that the Russians have inflicted at least a temporary reverse upon the Germans in the angle between the Vistula and Warta rivers. Sunday over 6.000 prisoners were taken by the Russians.

London, Nov. 25.—A German tried to blow up the British gunboat Dwarf with an infernal machine in a west African harbor recently. It was discovered that he was a missionary.

Belgian Frontier, Nov. 25.—The value of Zeebrugge as a German naval base against England has been destroyed by the allies' fleet. Their warships bombarded that portion of the coast all Sunday afternoon. A number of buildings were destroyed and several other partially burned.

Paris, Nov. 25.—It is reported that the Turkish government has forbidden all subjects of the Triple Entente powers with the exception of the women and children under 18 years of age, to leave Ottoman territory.

London, Nov. 25.—The allies have [illegible] forces from Ypres [illegible] LaBassee. A terrific battle has [illegible]. The Germans have heavy reinforcements and fresh guns for [illegible] effort to [illegible]. The English [illegible] German attempt.

Why grin and bear all these ills when Sloan's Liniment kills pain?

"I have used your Liniment and can say it is fine. I have used it for sore throat, strained shoulder and it acted like a charm."—[illegible] *Route 1, Box 88, Pine Valley, Miss.*

"I am a painter and paperhanger by trade, consequently up and down ladders. About two years ago my left knee became lame and sore. It pained me at nights at times till I could not rest, and I was contemplating giving up my trade on account of it when I chanced to think of Sloan's Liniment. I had never tried it before, and I am glad to state that less than one 25c. bottle fixed me up apparently as good as ever."—*Charles C Campbell, Florence, Texas.*

BENTLEYVILLE

Four Conversions.

Tuesday evening occurred the first fruits of victory in the tabernacle meetings here. After a pointed and well-delivered sermon Evangelist Henry W. Giles invited conversions. During the singing four approached the chanel and shook hands with the evangelist. This was a happy sight indeed for those interested in the movement. Now, since the first barriers have beeen assailed and conquered it is thought that a great many more converts will be had during the meetings. Due to the direct succeeding of Thanksgiving and because a great many teachers could not attend. Children's day has been postponed at the tabernacle until one week later.

Garage Nearing Completion.

There is nearing completion on Main street a building that will add materially to the business sections of Bentleyville. The new building is one being built especially for the housing of the J. B. Galloway garage. The building will be two stories high. It will have the understory designed for the sheltering and storing of automobiles. The upper floor will be used as a supply shop and work shop. The garage will be one of the most completely equipped in the section. The quick and unexpected exacuation of the Bentleyville garage has left the Gallawoy garage without a speck of competition.

Funeral of Robert Stewart.

This afternoon funeral services were held over the remains of Robert Stewart, colored, who died at the home of William McTarry of the Frye plan. Stewart has been spending a few days at the home of McTarry, who is a distant relative, died after a short suffering of heart disease. Stewart's home is in West Pike Run township. For a long time he had been subject to attacks of heart failure. But never before was it thought that the attachs were in any manner seriously dangerous. Interment was in the Zion cemetery.

Personals.

W. Frye Hall, assistant manager of the Caldwell pharmacies in this place, has returned after a brief business trip to Pittsburg.

Miss Margaret Morrison has returned to resume her studies in the California state normal after a short visit at the home of her parents, Mr. and Mrs. John Morrison.

James Wherry and wife of Scenery Hill were visitors with friends in town Tuesday.
